

INDIANA UNIVERSITY

**ENVIRONMENTAL RESILIENCE
INSTITUTE**

McKinney Climate Fellows

Program Overview

PART OF THE **McKINNEY MIDWEST CLIMATE PROJECT**, THE **McKINNEY CLIMATE** Fellows is a workforce program focused on climate, sustainability, and community resiliency projects and challenges facing communities for IU undergraduate and graduate students.

Our aim is to:

- ▶ Develop a **statewide network of sustainability professionals** in the corporate, non-profit, government, and higher education sectors
- ▶ Prepare students for sustainability careers with advice from **industry professionals**, and;
- ▶ Place fellows in **sustainability-focused positions** through the "Lunch and Learn" program and an intensive boot camp

Climate fellows have been placed in 34 Indiana cities since program launch in 2017 ▶

Student Commitment

- ▶ Available to all current students within the Indiana University Network (any campus) with at least one semester remaining
- ▶ Attend the 3-day Sustainability Boot Camp (May 16th - 20th)
- ▶ Available to work full-time for 10-12 weeks between May and August 2022
- ▶ Passion to work in Indiana in climate, sustainability, and community resiliency after graduation

Student Benefit

- ▶ Receive a scholarship of **\$4,800** for undergraduate students, and **\$6,000** for graduate students
- ▶ Gain hands-on, real-world sustainability experience working with an Indiana organization
- ▶ Access to a network of sustainability peers across the state
- ▶ Option to earn internship credit through O'Neill (up to 4 credit hours)

Join us to create a brighter future for all Hoosiers!

Applications due Feb. 14th
